- (2) By mail;
- (3) In Person at the Extraordinary General Meeting.

If your shares are registered directly in your name with our transfer agent (“registered shareholders”), please vote promptly using one of the methods described in the instructions. Q: How can I attend the meeting?

A: The meeting is open to all holders of the Company’s ordinary shares as of the record date. You may attend the meeting in person at 10 Bukit Batok Crescent, #10-01, The Spire, Singapore 658079.

Q: May shareholders ask questions at the meeting?

A: Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

Q: If my shares are held in “street name” by a broker or other nominee, will my broker or nominee vote my shares for me?

A: Your broker or other nominee does not have authority to vote on non-routine matters. All of the proposals presented at the Extraordinary General Meeting are considered non-routine matters. Your broker or other nominee will vote your shares held by it in “street name” with respect to these matters only if you provide instructions to it on how to vote.

Q: What if I do not vote on the matters relating to the proposals?

A: If you fail to vote or fail to instruct your broker or other nominee how to vote on any of the proposals, it will have no effect on such proposals. It will be treated as a “non-vote” and not count toward a quorum. The proxy, when properly executed, will be voted as directed herein. If no direction is made, the proxy will be voted “FOR” all proposals and in the discretion of the proxy with respect to such other business as may properly come before the meeting.

Q: May I change my vote after I have delivered my proxy or voting instruction card?

A: Yes. You may change your vote at any time before your proxy is voted at the Extraordinary General Meeting. You may do this in one of three ways:

1. by sending a completed proxy card bearing a later date than your original proxy card and mailing it so that it is received prior to the Extraordinary General Meeting;
2. by logging on to the Internet website specified on your proxy card in the same manner you would submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions on the proxy card; or
3. by attending the Extraordinary General Meeting in person at 10 Bukit Batok Crescent, #10-01, The Spire, Singapore 658079.

Your attendance alone will not revoke any proxy.

If your shares are held in an account at a broker or other nominee, you should contact your broker or other nominee to change your vote.

A: The shareholders do not have appraisal rights with respect to the matters to be voted upon at the Extraordinary General Meeting.

**PROPOSAL 1:
TO APPROVE THE ALTERATION OF SHARE CAPITAL
(ITEM 1 ON THE PROXY CARD)**

The Board of Directors believes that it is in the best interest of the Company and the shareholders, and is hereby soliciting shareholder to approve, as a special resolution, the re-classification and re-designation of the authorised share capital of the Company of US\$100,000.11 divided into 232,500,000,000 ordinary shares with a par value of US\$0.000000430108 each (the “Ordinary Shares”) as follows:

- (i) all the authorized and issued and outstanding Ordinary Shares held by existing shareholders of the Company, except (a) the 15,056,700 Ordinary Shares held by Davis & KT Holdings Pte. Ltd. and (b) the 1,458,281 Ordinary Shares held by Mr. Lek Pow Sheng, Pauson, be re-designated and re-classified as class A ordinary shares with a par value of US\$0.000000430108 each (the “Class A Ordinary Shares”) on a one for one basis; and
- (ii) the 15,056,700 authorized and issued and outstanding Ordinary Shares held by Davis & KT Holdings Pte. Ltd. be re-designated and re-classified as 15,056,700 class B ordinary shares with a par value of US\$0.000000430108 each (the “Class B Ordinary Shares”) and the 1,458,281 authorized and issued and outstanding Ordinary Shares held by Mr. Lek Pow Sheng, Pauson be re-designated and re-classified as 1,458,281 Class B Ordinary Shares; and
- (iii) the 232,472,014,356 authorized but unissued Ordinary Shares be re-designated and re-classified into 232,472,014,356 Class A Ordinary Shares with a par value of US\$0.000000430108 each; and
- (iv) the 3,485,019 authorized but unissued Ordinary Shares be re-designated and re-classified into 3,485,019 Class B Ordinary Shares with a par value of US\$0.000000430108 each,

in each case having the rights and subject to the restrictions set out in the Amended M&A (as defined below) to be adopted, and following which the authorized share capital of the Company shall be US\$100,000.11 divided into 232,480,000,000 Class A Ordinary Shares and 20,000,000 Class B Ordinary Shares, with the power for the Company, insofar as is permitted by law, to redeem or purchase any of its shares and to increase or reduce the said share capital subject to the provisions of the Companies Act (As Revised) and the Articles of Association of the Company and to issue any part of its capital, whether original, redeemed or increased, with or without any preference, priority or special privilege or subject to any postponement of rights or to any conditions or restrictions; and so that, unless the conditions of issue shall otherwise expressly declare, every issue of shares, whether declared to be preference or otherwise, shall be subject to the power hereinbefore contained.

(the “Alteration of Share Capital”, and the proposal, the “Alteration of Share Capital Proposal”)

Following the Alteration of Share Capital and the Amendment to the M&A, each Class A Ordinary Share would be entitled to one (1) vote and each Class B Ordinary Share would be entitled to thirty (30) votes on all matters subject to vote at general meetings of the Company and with such other rights, preferences and privileges as set forth in the Amended M&A.

In addition, all Class B Ordinary Shares will be converted into Class A Ordinary Shares on a one-for-one basis upon occurrence of certain events, including:

- (a) at the option of the holder thereof, at any time after the date of issuance of such Class B Ordinary Shares; and
- (b) any sale, transfer, assignment or disposition of the legal or beneficial title to a Class B Ordinary Share by the holder thereof or an affiliate of such holder or the transfer or assignment of the voting rights attached to any Class B ordinary share to be cast under the direction of any person or entity that is not an affiliate of such holder.

A copy of the proposed Amended M&A of the Company is attached in Annex A to this notice to shareholders and is incorporated by reference into this notice to shareholders.

Potential Adverse Effects of Alteration

Prior to the proposed change, Ms. Li Peng Leck, the Executive Chairwoman and Executive Director of the Company, beneficially owns a total of 15,056,700 ordinary shares held through Davis & KT Holdings Pte. Ltd, representing approximately 61.5% of total voting power. Immediately after the proposed Alteration of Share Capital is effective, Ms. Li Peng Leck will beneficially hold approximately 98.0% of the total voting power.

The proposed change will not affect in any way the validity or transferability of share certificates outstanding (if any), or the trading of the Company's ordinary shares on the NASDAQ Capital Market.

Future issuances of Class B Ordinary Shares or securities convertible into Class B Ordinary Shares could have a dilutive effect on our earnings per share, book value per share and the voting power and interest of current holders of ordinary shares which will be converted into the Class A Ordinary Shares on a 1:1 basis. In addition, the availability of additional shares of Class A Ordinary Shares for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of the Company. The Board is not aware of any attempt, or contemplated attempt, to acquire control of the Company, nor is this proposal being presented with the intent that it be used to prevent or discourage any acquisition attempt. However, nothing would prevent the Board from taking any such actions that it deems to be consistent with its fiduciary duties.

Effectiveness of Alteration

If the proposed alteration is adopted, it will become effective immediately.

Vote Required and Board Recommendation

The Alteration of Share Capital must be passed by a special resolution which requires affirmative vote of at least two-thirds (2/3) of the votes cast by shareholders as, being entitled to do so, vote in person or, by proxy or, in the case of a shareholder being a corporation, by its duly authorized representative at the Extraordinary General Meeting

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ALTERATION OF SHARE CAPITAL

**PROPOSAL 2:
TO APPROVE THE AMENDED M&A
(ITEM 2 ON THE PROXY CARD)**

Assuming the approval of the Alteration of Share Capital Proposal, the Board of Directors is recommending that our shareholders approve and adopt the Amended M&A.

The approval of the Amendment to the M&A must be passed by a special resolution which requires affirmative vote of at least two-thirds (2/3) of the votes cast by shareholders as, being entitled to do so, vote in person or, by proxy or, in the case of a shareholder being a corporation, by its duly authorized representative at the Extraordinary General Meeting

Procedure for Implementing the Amended M&A

The Amended M&A would become effective upon the effectiveness of the Alteration of Share Capital.

Purpose of the Proposed Amended M&A

The Amended M&A reflects the Alteration of Share Capital and sets out the rights and restrictions attaching to the new Class A Ordinary Shares, and Class B Ordinary Shares of the Company, which are the subject of Proposal 1.

Vote Required and Board Recommendation

The Amendment to the M&A must be passed by a special resolution which requires affirmative vote of at least two-thirds (2/3) of the votes cast by shareholders as, being entitled to do so, vote in person or, by proxy or, in the case of a shareholder being a corporation, by its duly authorized representative at the Extraordinary General Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE AMENDMENT TO THE M&A

**PROPOSAL 3:
TO AUTHORIZE TO ADJOURN THE EXTRAORDINARY GENERAL MEETING
(ITEM 3 ON THE PROXY CARD)**

If the Extraordinary General Meeting is convened and a quorum is present, but there are not sufficient votes to approve Proposals 1 or 2, one or more of our proxy holders may move to adjourn the Extraordinary General Meeting at that time in order to enable our Board to solicit additional proxies.

In this proposal, we are asking our shareholders to authorize one or more of our proxy holders to adjourn the Extraordinary General Meeting to another time and place, if necessary, to solicit additional proxies in the event that there are not sufficient votes to approve Proposals 1 or 2. If our shareholders approve this proposal, one or more of our proxy holders can adjourn the Extraordinary General Meeting and any adjourned session of the Extraordinary General Meeting to allow for additional time to solicit additional proxies, including the solicitation of proxies from our stockholders that have previously voted. Among other things, approval of this proposal could mean that, even if we had received proxies representing a sufficient number of votes to defeat Proposals 1 or 2, we could adjourn the Extraordinary General Meeting without a vote on such proposals and seek to convince our shareholders to change their votes in favor of such proposals.

If it is necessary to adjourn the Extraordinary General Meeting, no notice of the adjourned meeting is required to be given to our shareholders, other than an announcement at the Extraordinary General Meeting of the time and place to which the Extraordinary General Meeting is adjourned, so long as the meeting is adjourned for less than 14 days and no new record date is fixed for the adjourned meeting. At the adjourned meeting, we may transact any business which might have been transacted at the original meeting.

Vote Required and Board Recommendation

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Extraordinary General Meeting is required for approval of this proposal. The Board recommends a vote “FOR” the approval of this proposal.

Other Matters to Come Before the Meeting

The Board of Directors is not aware of any other business to be acted upon at the Extraordinary General Meeting. Pursuant to the Company’s amended and restated memorandum and articles of association, only the business described in the notice of the Extraordinary General Meeting of the shareholders will be conducted at such meeting.

Documents Incorporated by Reference

The SEC allows us to “incorporate by reference” information into this notice to shareholder. This means that the Company can disclose important information to you by referring you to another document filed separately with the SEC. The information incorporated by reference is considered to be a part of this notice to shareholder, except for any information that is superseded by information that is included directly in this notice to shareholder or in any other subsequently filed document that also is incorporated by reference herein.

ALTERATION OF CAPITAL

4. (1) The Company may from time to time by ordinary resolution in accordance with the Act alter the conditions of its Memorandum of Association to:

- (a) increase its capital by such sum, to be divided into shares of such amounts, as the resolution shall prescribe;
- (b) consolidate and divide all or any of its capital into shares of larger amount than its existing shares;
- (c) without prejudice to the powers of the Board under Article 13, divide its shares into several classes and without prejudice to any special rights previously conferred on the holders of existing shares attach thereto respectively any preferential, deferred, qualified or special rights, privileges, conditions or such restrictions which in the absence of any such determination by the Company in general meeting, as the Directors may determine provided always that, for the avoidance of doubt, where a class of shares has been authorized by the Company no resolution of the Company in general meeting is required for the issuance of shares of that class and the Directors may issue shares of that class and determine such rights, privileges, conditions or restrictions attaching thereto as aforesaid, and further provided that where the Company issues shares which do not carry voting rights, the words "non-voting" shall appear in the designation of such shares and where the equity capital includes shares with different voting rights, the designation of each class of shares, other than those with the most favourable voting rights, must include the words "restricted voting" or "limited voting";

- (d) sub-divide its shares, or any of them, into shares of smaller amount than is fixed by the Memorandum of Association (subject, nevertheless, to the Act), and may by such resolution determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have any such preferred, deferred or other rights or be subject to any such restrictions as compared with the other or others as the Company has power to attach to unissued or new shares;
 - (e) cancel any shares which, at the date of the passing of the resolution, have not been taken, or agreed to be taken, by any person, and diminish the amount of its capital by the amount of the shares so cancelled or, in the case of shares without par value, diminish the number of shares into which its capital is divided.
- (2) No alteration may be made pursuant to Article 4(1) or otherwise to the nominal or par value of the Class A Ordinary Shares or the Class B Ordinary Shares unless an identical alteration is made to the nominal or par value of the Class B Ordinary Shares or the Class A Ordinary Shares, as the case may be.
5. The Board may settle as it considers expedient any difficulty which arises in relation to any consolidation and division under Article 4 and in particular but without prejudice to the generality of the foregoing may issue certificates in respect of fractions of shares or arrange for the sale of the shares representing fractions and the distribution of the net proceeds of sale (after deduction of the expenses of such sale) in due proportion amongst the Members who would have been entitled to the fractions, and for this purpose the Board may authorise any person to transfer the shares representing fractions to their purchaser or resolve that such net proceeds be paid to the Company for the Company's benefit. Such purchaser will not be bound to see to the application of the purchase money nor will his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.
6. The Company may from time to time by special resolution, subject to any confirmation or consent required by the Act, reduce its share capital or any capital redemption reserve or other undistributable reserve in any manner permitted by law.

SHARE RIGHTS

8. Subject to the provisions of the Act, the rules and regulations of the Designated Stock Exchange and the Memorandum and Articles of Association and to any special rights conferred on the holders of any shares or class of shares, and without prejudice to Article 13 hereof, any share in the Company (whether forming part of the present capital or not) may be issued with or have attached thereto such rights or restrictions whether in regard to dividend, voting, return of capital or otherwise as the Board may determine, including without limitation on terms that they may be, or at the option of the Company or the holder are, liable to be redeemed on such terms and in such manner, including out of capital, as the Board may deem fit.
9. Subject to the Act, the rules and regulations of the Designated Stock Exchange and the Memorandum and Articles of Association, and to any special rights conferred on the holders of any shares or attaching to any class of shares, shares may be issued on the terms that may be or at the option of the Company or the holder are, liable to be redeemed on such terms and in such manner, including out of capital, as the Board may deem fit.
10. (1) Subject to Article 13(1), the Memorandum of Association and any resolution of the Members to the contrary and without prejudice to any special rights conferred thereby on the holders of any other shares or class of shares, the share capital of the Company shall, at the date on which these Articles come into effect, be divided into shares of two classes, Class A Ordinary Shares and Class B Ordinary Shares. The Class A Ordinary Shares and Class B Ordinary Shares shall have the same rights and rank *pari passu* with one another other than as set out below:

(a) *As regards conversion*

- (i) Subject to the provisions hereof and to compliance with the Act and all other laws and regulations applicable thereto, a holder of Class B Ordinary Shares shall have the Conversion Right in respect of each Class B Ordinary Share held by him/it. For the avoidance of doubt, a holder of Class A Ordinary Shares shall have no rights to convert their Class A Ordinary Shares into Class B Ordinary Shares under any circumstances.
- (ii) Each Class B Ordinary Share held by the Founders or an Affiliate of any Founder shall be converted at the option of the holder, at any time after issue and without the payment of any additional sum, into one fully paid Class A Ordinary Share calculated at the Conversion Rate. Such conversion shall take effect on the Conversion Date. A Conversion Notice shall not be effective if it is not accompanied by the share certificates in respect of the relevant Class B Ordinary Shares and such other evidence (if any) as the Directors may reasonably require to prove the title of the person exercising such right (or, if such certificates have been lost or destroyed, such evidence of title and such indemnity as the Directors may reasonably require).
- (iii) Each Class B Ordinary Share held by persons other than the Founders or an Affiliate of any Founder shall be converted automatically, without the payment of any additional sum, into one fully paid Class A Ordinary Share calculated at the Conversion Rate. Such conversion shall take effect on the Automatic Conversion Date, and a Conversion Notice shall not be required to be delivered to the Company to give effect to such automatic conversion. Upon such automatic conversion, any share certificates in respect of the relevant Class B Ordinary Shares shall be deemed cancelled on the Automatic Conversion Date.
- (iv) Any and all taxes and stamp, issue and registration duties (if any) arising on conversion pursuant to Article 10(1)(a)(ii) or Article 10(1)(a)(iii) shall be borne by the Company.
- (v) On the Conversion Date or the Automatic Conversion Date (as the case may be), every Class B Ordinary Share to be converted shall automatically be re-designated and re-classified as a Class A Ordinary Share with such rights and restrictions attached thereto and shall rank *pari passu* in all respects with the Class A Ordinary Shares then in issue and the Company shall enter or procure the entry of the name of the relevant holder of Class B Ordinary Shares as the holder of the same number of Class A Ordinary Shares resulting from the conversion of the Class B Ordinary Shares in, and make any other necessary and consequential changes to, the Register and shall procure that certificates in respect of the relevant Class A Ordinary Shares, together with a new certificate for any unconverted Class B Ordinary Shares comprised in the certificate(s) surrendered by the holder of the Class B Ordinary Shares, are issued to the holders thereof.
- (vi) Until such time as the Class B Ordinary Shares have been converted into Class A Ordinary Shares, the Company shall:
 - (A) at all times keep available for issue and free of all liens, charges, options, mortgages, pledges, claims, equities, encumbrances and other third-party rights of any nature, and not subject to any pre-emptive rights out of its authorised but unissued share capital, such number of authorised but unissued Class A Ordinary Shares as would enable all Class B Ordinary Shares to be converted into Class A Ordinary Shares and any other rights of conversion into, subscription for or exchange into Class A Ordinary Shares to be satisfied in full; and
 - (B) not make any issue, grant or distribution or take any other action if the effect would be that on the conversion of the Class B Ordinary Shares to Class A Ordinary Shares it would be required to issue Class A Ordinary Shares at a price lower than the par value thereof.

(b) *As regards voting rights*

Holders of Ordinary Shares have the right to receive notice of, attend, speak and vote at general meetings of the Company. Holders of Class A Ordinary Shares and holders of Class B Ordinary Shares shall, at all times (other than in respect of separate general meetings of the holders of a class or series of shares held in accordance with Article 11 below), vote together as one class on all matters submitted to a vote for Members' consent. Each Class A Ordinary Share shall be entitled to one (1) vote on all matters subject to the vote at general meetings of the Company, and each Class B Ordinary Share shall be entitled to thirty (30) votes on all matters subject to the vote at general meetings of the Company.

(c) *As regards transfer rights*

For the avoidance of doubt, the creation of any pledge, charge, encumbrance or other third party right of whatever description on any of Class B Ordinary Shares to secure a holder's contractual or legal obligations shall not be deemed as a sale, transfer, assignment or disposal under this Article 10(1)(c) unless and until any such pledge, charge, encumbrance or other third party right is enforced and results in the third party (which is neither ultimately controlled by any Founder nor another holder of Class B Ordinary Shares or an Affiliate of any Founder or such other holder) holding legal title or voting power through a voting proxy or otherwise to the related Class B Ordinary Shares, in which case all the related Class B Ordinary Shares shall be automatically and immediately converted into the same number of Class A Ordinary Shares.

(2) Holders of Class A Ordinary Shares and holders of Class B Ordinary Shares shall be entitled to such dividends as the Board may from time to time declare on a *pari passu* basis.

(3) In the event of a winding up or dissolution of the Company, whether voluntary or involuntary or for the purpose of a reorganisation or otherwise or upon any distribution of capital, the holders of Class A Ordinary Shares and the holders of Class B Ordinary Shares shall be entitled to the surplus assets of the Company on a *pari passu* basis.

VARIATION OF RIGHTS

11. Subject to the Act and without prejudice to Article 8, all or any of the special rights for the time being attached to the shares or any class of shares may, unless otherwise provided by the terms of issue of the shares of that class, from time to time (whether or not the Company is being wound up) be varied, modified or abrogated with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of that class. To every such separate general meeting all the provisions of these Articles relating to general meetings of the Company shall, *mutatis mutandis*, apply, but so that:

- (a) notwithstanding Article 59 which shall not apply to this Article 11, separate general meetings of the holders of a class or series of shares may be called only by (i) the Chairman of the Board, or (ii) a majority of the entire Board (unless otherwise specifically provided by the terms of issue of the shares of such class or series). Nothing in this Article 11 shall be deemed to give any Member or Members the right to call a class or series meeting;
- (b) the necessary quorum (whether at a separate general meeting or at its adjourned meeting) shall be a person or persons or (in the case of a Member being a corporation) its duly authorized representative together holding or representing by proxy not less than one-third in nominal value or par value of the issued shares of that class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Members who are present shall form a quorum (whatever the number of shares held by them));

- (c) every holder of shares of the class shall be entitled on a poll to one vote for every such share held by him; and
- (d) any holder of shares of the class present in person or by proxy or authorised representative may demand a poll.

12. The special rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied, modified or abrogated by the creation or issue of further shares ranking *pari passu* therewith.

13. (1) Subject to the Act, these Articles (including, without limitation, Article 3(6)) and, where applicable, the rules and regulations of the Designated Stock Exchange and without prejudice to any special rights or restrictions for the time being attached to any shares or any class of shares, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such times and for such consideration and upon such terms and conditions as the Board may in its absolute discretion determine but so that no shares shall be issued at a discount to their nominal value. In particular and without prejudice to the generality of the foregoing, the Board is hereby empowered to authorize by resolution or resolutions from time to time the issuance of one or more classes or series of preferred shares and to fix the designations, powers, preferences and relative, participating, optional and other rights, if any, and the qualifications, limitations and restrictions thereof, if any, including, without limitation, the number of shares constituting each such class or series, dividend rights, conversion rights, redemption privileges, voting powers, full or limited or no voting powers, and liquidation preferences, and to increase or decrease the size of any such class or series (but not below the number of shares of any class or series of preferred shares then outstanding) to the extent permitted by the Act. Without limiting the generality of the foregoing, the resolution or resolutions providing for the establishment of any class or series of preferred shares may, to the extent permitted by law, provide that such class or series shall be superior to, rank equally with or be junior to the preferred shares of any other class or series.

(2) Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of shares, to make, or make available, any such allotment, offer, option or shares to Members or others with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable. Members affected as a result of the foregoing sentence shall not be, or be deemed to be, a separate class of members for any purpose whatsoever. Except as otherwise expressly provided in the resolution or resolutions providing for the establishment of any class or series of preferred shares, no vote of the holders of preferred shares or ordinary shares shall be a prerequisite to the issuance of any shares of any class or series of the preferred shares authorized by and complying with the conditions of the Memorandum and Articles of Association.

(3) The Board may issue options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of shares or securities in the capital of the Company on such terms as it may from time to time determine.

14. The Company may, in connection with the issue of any shares, exercise all powers of paying commission and brokerage conferred or permitted by the Act. Subject to the Act, the commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one and partly in the other.

15. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or required in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any fractional part of a share or (except only as otherwise provided by these Articles or by law) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

16. Subject to the Act and these Articles, the Board may at any time after the allotment of shares but before any person has been entered in the Register as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Board considers fit to impose.

SHARE CERTIFICATES

17. Every share certificate shall be issued under the Seal or a facsimile thereof or with the Seal printed thereon and shall specify the number and class and distinguishing numbers (if any) of the shares to which it relates, and the amount paid up thereon and may otherwise be in such form as the Directors may from time to time determine. No certificate shall be issued representing shares of more than one class. The Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any such certificates (or certificates in respect of other securities) need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon.

18. (1) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to one of several joint holders shall be sufficient delivery to all such holders.

(2) Where a share stands in the names of two or more persons, the person first named in the Register shall as regards service of notices and, subject to the provisions of these Articles, all or any other matters connected with the Company, except the transfer of the shares, be deemed the sole holder thereof.

19. The Company is not obliged to issue a share certificate to a Member unless the Member requests it in writing from the Company. Every person whose name is entered, upon an allotment of shares, as a Member in the Register shall be entitled without payment, to receive one certificate for all such shares of any one class or several certificates each for one or more of such shares of such class upon payment for every certificate after the first of such reasonable out-of-pocket expenses as the Board from time to time determines.

20. Share certificates shall be issued within the relevant time limit as prescribed by the Act or as the Designated Stock Exchange may from time to time determine, whichever is the shorter, after allotment or, except in the case of a transfer which the Company is for the time being entitled to refuse to register and does not register, after lodgment of a transfer with the Company. Every share certificate of the Company shall bear legends required under the applicable laws, including the Securities Act.

21. (1) Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the shares transferred to him at such fee as is provided in paragraph (2) of this Article 21. If any of the shares included in the certificate so given up shall be retained by the transferor a new certificate for the balance shall be issued to him at the aforesaid fee payable by the transferor to the Company in respect thereof.

(2) The fee referred to in paragraph (1) above shall be an amount not exceeding the relevant maximum amount as the Designated Stock Exchange may from time to time determine, provided that the Board may at any time determine a lower amount for such fee.

22. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Board may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Board has determined that the original has been destroyed.

LIEN

23. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share. The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually become due or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person, whether a Member or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article 23.

24. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

25. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

26. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines, but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

27. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.

28. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

29. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest in whole or in part.

30. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

31. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

32. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

33. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

34. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

35. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:

- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
- (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.

(2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.

36. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.

37. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

38. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

39. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Board shall in its discretion so requires) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty percent (20%) per annum) as the Board shall determine. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article 39 any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

40. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

41. Notwithstanding any such forfeiture as aforesaid, the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares so forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

42. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

43. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

44. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:

- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
- (b) the date on which each person was entered in the Register; and
- (c) the date on which any person ceased to be a Member.

(2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

45. The Register and branch register of Members, as the case may be, shall be open to inspection for such times and on such days as the Board shall determine by Members without charge or by any other person, upon a maximum payment of \$2.50 or such other sum specified by the Board, at the Office or Registration Office or such other place at which the Register is kept in accordance with the Act. The Register, including any overseas or local or other branch register of Members may, after compliance with any notice requirements of the Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed for inspection at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

46. For the purpose of determining the Members entitled to notice of or to vote at any general meeting, or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of shares or for the purpose of any other lawful action, the Board may fix, in advance, a date as the record date for any such determination of Members.

If the Board does not fix a record date for any general meeting, the record date for determining the Members entitled to a notice of or to vote at such meeting shall be at the close of business on the day next preceding the day on which notice is given, or, if in accordance with these Articles notice is waived, at the close of business on the day next preceding the day on which the meeting is held. The record date for determining the Members for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

A determination of the Members of record entitled to notice of or to vote at a meeting of the Members shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

TRANSFER OF SHARES

47. (1) Subject to these Articles (including, without limitation, Article 3(6)), any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or a central depository house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.

(2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the rules and regulations of the Designated Stock Exchange that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the rules and regulations of the Designated Stock Exchange that are or shall be applicable to such listed shares.

48. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to Article 47, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

49. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.

(2) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

(3) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Act.

50. Without limiting the generality of Article 49, the Board may decline to recognise any instrument of transfer unless:-

- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;
- (b) the instrument of transfer is in respect of only one class of share;
- (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.

51. If the Board refuses to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.

52. The registration of transfers of shares or of any class of shares may, after compliance with any notice requirement of the Designated Stock Exchange, be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

53. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.

54. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or the Office, as the case may be, to that effect. If he elects to have another person registered, he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

55. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 76(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

56. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article 56, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

(2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:

- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles have remained uncashed;
- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice to, and caused advertisement in newspapers to be made in accordance with the requirements of, the Designated Stock Exchange of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

(3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds, it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

57. The Company shall, if required by the Statutes, in each year hold a general meeting as its annual general meeting, and shall specify the meeting as such in the notices calling it. An annual general meeting of the Company shall be held at such time and place as may be determined by the Board.

58. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. All general meetings (including an annual general meeting, any adjourned general meeting or postponed meeting) may be held as a physical meeting at such times and in any part of the world and at one or more locations as provided in Article 65A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.

59. A majority of the Board or the Chairman of the Board may call extraordinary general meetings, which extraordinary general meetings shall be held at such times and locations (as permitted hereby) as such person or persons shall determine. Any one or more Members holding not less than one-third of all votes attaching to the total issued and paid up share capital of the Company at the date of deposit of the requisition shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business specified in such requisition; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

NOTICE OF GENERAL MEETINGS

60. (1) An annual general meeting and any extraordinary general meeting may be called by not less than ten (10) clear days' Notice, but a general meeting may be called by shorter notice, subject to the Act, if it is so agreed:

- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than ninety-five percent. (95%) in nominal value of the issued shares giving that right.

(2) The notice shall specify (a) the time and date of the meeting, (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Board pursuant to Article 65A, the principal place of the meeting (the “**Principal Meeting Place**”), (c) if the general meeting is to be a hybrid meeting or an electronic meeting, the Notice shall include a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting, and (d) in case of special business, the general nature of the business. The notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors.

61. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

62. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:

- (a) the declaration and sanctioning of dividends;
- (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet; and
- (c) the election of Directors.

(2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. At any general meeting of the Company, two (2) Members entitled to vote and present in person or by proxy or (in the case of a Member being a corporation) by its duly authorised representative representing not less than one-third in nominal value of the total issued voting shares in the Company throughout the meeting shall form a quorum for all purposes.

63. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) or to such time and (where applicable) such place(s) and in such form and manner referred to in Article 58 as the Board may absolutely determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.

64. (1) The Chairman of the Board shall preside as chairman at every general meeting. If at any meeting the chairman is not present within fifteen (15) minutes after the time appointed for holding the meeting, or is not willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by their duly authorised representative or by proxy and entitled to vote shall elect one of their number to be chairman.

(2) If the chairman of a general meeting is participating in the general meeting using an electronic facility or facilities and becomes unable to participate in the general meeting using such electronic facility or facilities, another person (determined in accordance with Article 64(1) above) shall preside as chairman of the meeting unless and until the original chairman of the meeting is able to participate in the general meeting using the electronic facility or facilities

65. The chairman may adjourn the meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting), but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.

65A. (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations ("**Meeting Location(s)**") determined by the Board at its absolute discretion. Any Member or any proxy attending and participating in such way or any Member or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.

(2) All general meetings are subject to the following and, where appropriate, all references to a “Member” or “Members” in this sub-paragraph (2) shall include a proxy or proxies respectively:

- (a) where a Member is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
- (b) Members present in person or by proxy at a Meeting Location and/or Members attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Members at all Meeting Locations and Members participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;
- (c) where Members attend a meeting by being present at one of the Meeting Locations and/or where Members are participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Members or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting.
- (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

65B. The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

65C. If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 65A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or
- (b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or
- (c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or
- (d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

65D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

65E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 65, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.

65F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 65C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

65G. Without prejudice to other provisions in Article 65, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting

66. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

67. (1) Holders of Ordinary Shares have the right to receive notice of, attend, speak and vote at general meetings of the Company. Except as required by applicable law and/or regulations and subject to these Articles, holders of Class A Ordinary Shares and holders of Class B Ordinary Shares shall at all times vote together as one class on all matters submitted to a vote of the Members.

(2) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a show of hands:

- (a) every Member holding Class A Ordinary Shares present in person (or being a corporation, is present by a duly authorised representative), or by proxy shall have one (1) vote for every fully paid Class A Ordinary Share of which he is the holder and on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one (1) vote for every fully paid Class A Ordinary Share of which he is the holder;
- (b) every Member holding Class B Ordinary Shares present in person (or being a corporation, is present by a duly authorised representative) or by proxy shall have thirty (30) votes for every fully paid Class B Ordinary Share of which he is the holder and on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have thirty (30) votes for every fully paid Class B Ordinary Share of which he is the holder; and
- (c) no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share.

(3) Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Member which is a clearing house or a central depository house (or its nominee(s)), each such proxy shall have one vote on a show of hands. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may decide that a vote be on a show of hands unless voting by way of a poll is required by the rules and regulations of the Designated Stock Exchange or (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

- (a) by at least three Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
- (b) by a Member or Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
- (c) by a Member or Members present in person or (in the case of a Member being a corporation) by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by a Member. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

68. Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.

69. If a poll is duly demanded the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the rules and regulations of the Designated Stock Exchange.

70. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken in such manner (including the use of ballot or voting papers or tickets) and either forthwith or at such time (being not later than thirty (30) days after the date of the demand) and place as the chairman directs. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll not taken immediately.

71. The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.

72. On a poll votes may be given either personally or by proxy.

73. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

74. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles, by the Act or the rules and regulations of the Designated Stock Exchange. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

75. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

76. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote on a poll by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting or postponed meeting, or poll, as the case may be.

(2) Any person entitled under Article 54 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

77. No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.

78. If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

79. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.

80. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.

81. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

(2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting, the postponed meeting or adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty-four (24) hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

82. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.

83. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting, the postponed meeting or adjourned meeting, or the taking of the poll, at which the instrument of proxy is used.

84. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

85. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

(2) If a clearing house (or its nominee(s)) or a central depository entity (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members, provided that the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house or a central depository entity (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house or a central depository entity (or its nominee(s)) including the right to vote individually on a show of hands.

(3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

86. A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

BOARD OF DIRECTORS

87. (1) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than two (2). There shall be no maximum number of Directors unless otherwise determined from time to time by the Board. For so long as the shares are listed on the Designated Stock Exchange, the Directors shall include such number of Independent Directors as applicable law, rules or regulations or the Designated Stock Exchange require, unless the Board resolves to follow any available exceptions or exemptions. The Directors shall be elected or appointed in accordance with Articles 87 and 88 and shall hold office until the expiration of his term or until their successors are elected or appointed.

(2) Subject to the Articles and the Act, the Company may by ordinary resolution elect any person to be a Director either to fill a casual vacancy or as an addition to the existing Board.

(3) The Directors shall have the power from time to time and at any time to appoint any person as a Director to fill a casual vacancy on the Board or as an addition to the existing Board subject to the Company's compliance with director nomination procedures required under the rules and regulations of the Designated Stock Exchange as long as shares are listed on the Designated Stock Exchange, unless the Board resolves to follow any available exceptions or exemptions.

(4) No Director shall be required to hold any shares of the Company by way of qualification and a Director who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and of all classes of shares of the Company.

(5) Subject to any provision to the contrary in these Articles, a Director may be removed by way of an ordinary resolution of the Members at any time before the expiration of his period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).

(6) A vacancy on the Board created by the removal of a Director under the provisions of subparagraph (5) above may be filled by the election or appointment by ordinary resolution of the Members at the meeting at which such Director is removed or by the affirmative vote of a simple majority of the remaining Directors present and voting at a Board meeting.

(7) The Company may from time to time in general meeting by ordinary resolution increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2).

DISQUALIFICATION OF DIRECTORS

88. The office of a Director shall be vacated if the Director:

- (1) resigns his office by notice in writing delivered to the Company at the Office or tendered at a meeting of the Board;
- (2) becomes of unsound mind or dies;
- (3) without special leave of absence from the Board, is absent from meetings of the Board for three consecutive meetings and the Board resolves that his office be vacated;
- (4) becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors;
- (5) is prohibited by law from being a Director; or
- (6) ceases to be a Director by virtue of any provision of the Statutes or is removed from office pursuant to these Articles.

EXECUTIVE DIRECTORS

89. The Board may from time to time appoint any one or more of its body to be a managing director, joint managing director or deputy managing director or to hold any other employment or executive office with the Company for such period (subject to their continuance as Directors) and upon such terms as the Board may determine and the Board may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director. A Director appointed to an office under this Article 91 shall be subject to the same provisions as to removal as the other Directors of the Company, and he shall (subject to the provisions of any contract between him and the Company) ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

90. Notwithstanding Articles 95, 96, 97 and 98, an executive director appointed to an office under Article 89 hereof shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise or by all or any of those modes) and such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time determine, and either in addition to or in lieu of his remuneration as a Director.

ALTERNATE DIRECTORS

91. Any Director may at any time by Notice delivered to the Office or head office or at a meeting of the Directors appoint any person (including another Director) to be his alternate Director. Any person so appointed shall have all the rights and powers of the Director or Directors for whom such person is appointed in the alternative provided that such person shall not be counted more than once in determining whether or not a quorum is present. An alternate Director may be removed at any time by the body which appointed him and, subject thereto, the office of alternate Director shall continue until the happening of any event which, if he were a Director, would cause him to vacate such office or if his appointor ceases for any reason to be a Director. Any appointment or removal of an alternate Director shall be effected by Notice signed by the appointor and delivered to the Office or head office or tendered at a meeting of the Board. An alternate Director may also be a Director in his own right and may act as alternate to more than one Director. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director save that as an alternate for more than one Director his voting rights shall be cumulative.

92. An alternate Director shall only be a Director for the purposes of the Act and shall only be subject to the provisions of the Act insofar as they relate to the duties and obligations of a Director when performing the functions of the Director for whom he is appointed in the alternative and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. (2) Directors may participate in any meeting of the Board by means of a conference, telephone, electronic or other communications equipment through which all persons participating in the meeting can communicate with each other simultaneously and instantaneously and, for the purpose of counting a quorum, such participation shall constitute presence at a meeting as if those participating were present in person.

(3) Any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of such Board meeting if no other Director objects and if otherwise a quorum of Directors would not be present.

116. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in the Board but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles as the quorum, the continuing Directors or Director, notwithstanding that the number of Directors is below the number fixed by or in accordance with these Articles as the quorum or that there is only one continuing Director, may act for the purpose of filling vacancies in the Board or of summoning general meetings of the Company but not for any other purpose.

117. The Chairman of the Board shall be the chairman of all meetings of the Board. If the Chairman of the Board is not present at any meeting within five (5) minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.

(2) All acts done by any such committee in conformity with such regulations, and in fulfilment of the purposes for which it was appointed, but not otherwise, shall have like force and effect as if done by the Board, and the Board (or if the Board delegates such power, the committee) shall have power to remunerate the members of any such committee, and charge such remuneration to the current expenses of the Company.

120. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Articles for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Article, indicating, without limitation, any committee charter adopted by the Board for purposes or in respect of any such committee.

121. A resolution in writing signed by all the Directors except such as are temporarily unable to act through ill-health or disability shall (provided that such number is sufficient to constitute a quorum and further provided that a copy of such resolution has been given or the contents thereof communicated to all the Directors for the time being entitled to receive notices of Board meetings in the same manner as notices of meetings are required to be given by these Articles) be as valid and effectual as if a resolution had been passed at a meeting of the Board duly convened and held. A notification of consent to such resolution given by a Director in writing to the Board by any means (including by means of electronic communication) shall be deemed to be his/her signature to such resolution in writing for the purpose of this Article. Such resolution may be contained in one document or in several documents in like form each signed by one or more of the Directors and for this purpose a facsimile signature of a Director shall be treated as valid.

122. All acts bona fide done by the Board or by any committee or by any person acting as a Director or members of a committee, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting as aforesaid or that they or any of them were disqualified or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director or member of such committee.

Every instrument executed in manner provided by this Article 132 shall be deemed to be sealed and executed with the authority of the Board previously given.

(2) Where the Company has a Seal for use abroad, the Board may by writing under the Seal appoint any agent or committee abroad to be the duly authorised agent of the Company for the purpose of affixing and using such Seal and the Board may impose restrictions on the use thereof as may be thought fit. Wherever in these Articles reference is made to the Seal, the reference shall, when and so far as may be applicable, be deemed to include any such other Seal as aforesaid.

and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to be made on the basis of any such documents so destroyed was duly and properly made and every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that: (1) the foregoing provisions of this Article 134 shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim; (2) nothing contained in this Article 134 shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (1) above are not fulfilled; and (3) references in this Article 134 to the destruction of any document include references to its disposal in any manner.

(2) Notwithstanding any provision contained in these Articles, the Directors may, if permitted by applicable law, authorise the destruction of documents set out in sub-paragraphs (a) to (e) of paragraph (1) of this Article 134 and any other documents in relation to share registration which have been microfilmed or electronically stored by the Company or by the share registrar on its behalf provided always that this Article shall apply only to the destruction of a document in good faith and without express notice to the Company and its share registrar that the preservation of such document was relevant to a claim.

DIVIDENDS AND OTHER PAYMENTS

135. Subject to the Act, the Board may from time to time declare dividends in any currency to be paid to the Members.

136. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Directors determine is no longer needed. The Board may also declare and pay dividends out of share premium account or any other fund or account which can be authorised for this purpose in accordance with the Act.

137. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:

- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
- (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.

138. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

139. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.

140. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

141. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

142. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

143. Whenever the Board has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the basis of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

144. (1) Whenever the Board has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:

- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than ten (10) days' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("**the non-elected shares**") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than ten (10) days' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("**the elected shares**") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article 144 shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (2) of this Article 144 in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article 144, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Board may determine and resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article 144, a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article 144 shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

(5) Any resolution declaring a dividend on shares of any class by the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

145. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the Act. The Company shall at all times comply with the provisions of the Act in relation to the share premium account.

(2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

146. (1) The Company may, upon the recommendation of the Board, at any time and from time to time, pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the basis that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article 146(1), a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

(2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, and/or (ii) any other persons or any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

147. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

148. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Act:

(1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:

- (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article 148) maintain in accordance with the provisions of this Article 148 a reserve (the “**Subscription Rights Reserve**”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and
- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.

(4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
